

Monthly Training Grant Breakfasts, Fall 2018

Selected Wednesdays at 9:00 AM (unless otherwise noted)

September 5

Postdoctoral fellows Kelly Ronald & Courtney Fitzpatrick; Graduate students Kelly Moench, Kat Munley, Misty Proffitt & Kayleigh Hood

“CTRD trainees swapping roles”

Now in flash talk format! What better way to promote broad thinking and understanding than to learn to present someone else's research?

October 10

Kim Rosvall & Courtney Fitzpatrick, Department of Biology, Indiana University

“What is context in behavior and how does this relate to common themes in reproductive diversity?”

We are looking forward to the conversation!

November 14

Jessica Cusick, Department of Biological Science, Florida State University

“Individual Variation in Cooperation: The Roles of Relatedness, Stress, and Aggression”

CTRD Postdoctoral candidate

December 5

Alexandra Bentz, Department of Biology, Indiana University

“Your past predicts your future: Hormonal and genomic mechanisms of phenotypic plasticity”

CTRD Postdoctoral candidate
