

Monthly Training Grant Breakfasts, Spring 2018
Selected Wednesdays at 9:00 AM (unless otherwise noted)

January 17

Sam Cohen/Kristyn Sylvia and Chris Petersen/Justin Bollinger

“Predoctoral Trainee Data Blitz: Swapping Roles”

What better way to learn to communicate across our common themes than to present research that’s not your own?

February 14

Dr. Justin Garcia, Gender Studies, Indiana University

“Modern Mating: Are U.S. Singles Redefining Courtship and Intimacy?”

March 7

Dr. Jeff Alberts, Department of Psychological & Brain Sciences, Indiana University

Title: “Co-evolution of lactation and suckling: A thesis under construction”

April 5 *note Thursday date*

Dr. Kiran Soma, Department of Psychology, University of British Columbia

Title: “Effects of maternal sucrose consumption on offspring behaviour and brain”

May 9

Dr. Courtney Fitzpatrick, Department of Biology, Indiana University

A conversation about how we might take lessons learned from our transdisciplinary approach and turn it into a manuscript.
