

Monthly Training Grant Breakfasts, Fall 2024

Selected Wednesdays at 9:00 AM (unless otherwise noted)

September 11, 2024

Speaker: Dr. Ellen Ketterson, Distinguished Professor of Biology, IU

Topic: Dr. Ketterson will lead a discussion about the insights to be gained from interdisciplinary collaborations and training environments, like what we strive for at CTRD and CISAB

October 2, 2024

Speaker: Dr. Matthew Nielsen, Junior Professor at University of Bremen, Germany

Topic: Dr. Nielsen will lead a discussion of what human asexuality can teach us about animal behavior.

November 14, 2024 *Note: special Thursday LUNCH meeting at 12:00*

Speaker: Dr. Kelly Lambert, Professor of Behavioral Neuroscience, University of Richmond

Topic: Dr. Lambert will lead a discussion on the neurobiology of stress, resilience, depression, and parenting (see <https://psychology.richmond.edu/faculty/klambert> for preview)

December 11, 2024

Speaker: Dr. Maria Fernandez, Assistant Professor of Biology, IU

Topic: Dr. Fernandez will lead a conversation about sex differences in the *Drosophila* circadian system.
